TECHNICAL SKILLS

Languages

- Java
- SQL

Backend

- Spring Boot
- Spring MVC
- Spring Data JPA
- Hibernate
- REST API

Database

- MySQL

Build Tools

- Maven

API Testing

- Postman

Tools

- IntelliJ IDEA
- Eclipse
- Visual Studio Code

Web Server

- Apache Tomcat

LANGUAGES

• English

• Tamil

PROFESSIONAL SUMMARY

Results-driven Java Backend Developer with expertise in developing web applications using Java, Spring Boot, and REST APIs. Demonstrates strong skills in object-oriented programming and database management, committed to delivering clean and efficient code. Actively seeks opportunities to enhance software development processes and adopt new technologies.

WORK EXPERIENCE

Java Full Stack Developer Intern

Jun 2024 – Aug 2024

Besant Technologies

- Acquired practical experience in Java backend development using Spring Boot, enhancing system functionality.
- Developed and integrated RESTful APIs for CRUD operations and business logic implementation.
- Built and tested web applications, integrating frontend with backend services.
- Developed and tested web applications, ensuring seamless integration of frontend and backend services.
- Utilized Postman for API testing and debugging.
- Used Git and GitHub for version control and collaborative development.
- Actively participated in debugging, code reviews, and team discussions to deliver quality solutions.

EDUCATION

B.E., Computer Science and Engineering

May 2026

Jaya Engineering College, Thiruninravur, Chennai

- GPA: 7.8

Diploma, Mechanical Engineering

Oct 2022

P T Lee Chengalvaraya Naicker Polytechnic College, Chennai

- Final Grade: 80%

PROJECTS

Student Management System

Developed a Java Spring Boot application to manage student records using CRUD operations and MySQL database.

Spring Book Management System

Built a backend application for managing books with REST APIs, implementing CRUD operations and database integration.

Course Registration System

Developed a backend system for student course registration with Spring Boot and MySQL, implementing REST APIs for seamless operations.

STRENGTHS

- ✓ Strong problem-solving skills
- ✓ Quick learner
- ✓ Team player
- ✓ Good communication skills
- ✓ Passionate about backend development

CERTIFICATION

- AWS Cloud Computing Course (Naan Mudhalvan Program)
- Innovation Ambassador Training "Foundation Level" – MoE's Innovation Cell & AICTE (IIC Calendar Year 2024-25)
